Dear Chuck,

Congratulations on your decision to run for public office! First off, we would like to thank you for running and trying to make a difference in our community.

At our last meeting that was held on Wednesday September 2nd, the Delegates of the Southwest Washington Central Labor Council (SWWACLCL) voted unanimously to endorse you in your race for the Clark County Charter Review Committee.

The SWWACLCL is comprised of 48 local unions and labor organizations representing more than 15,000 union members from the Southwest Washington area. We hold our meetings every first Wednesday of the month and I would encourage you to attend (via ZOOM) and educate the labor community on your campaign and what they can do to help in your race. Please go to www.swwaclc.org and sign in to be a guest through our website and you will receive updates and meeting notices/links.

If you have any information about your campaign and volunteer opportunities please direct those to Harold Phillips, Our communications guru at info@swwaclc.org. He will get this information out to our leaders, members and community through our website, Facebook, twitter and Instagram accounts, as well as a weekly newsletter to union leaders locally and throughout the state. If you would like to get your information in the weekly newsletter, please send that to Harold no later than by noon on Friday of each week.

Lastly, we will need a headshot of you for all of our endorsement notifications and website. Please send to Harold at info@swwaclc.org.

At any time during your candidacy and especially your time in office, please consider the SWWACLCL as a resource for information in the interest of labor throughout our community.

On behalf of the Executive Board and Delegates of the SWWACLCL, Congratulations and Good Luck!

In Solidarity,

Shannon A. Myers
